PROJECT EXPERIENCE

Game Developer at Bangkok University

Willow The Little Witch (Solo Dev)

2D Side-Scrolling Action Game that is the first game published on [Itch.io](#)

- **Highlight of Work**
 - Clever enemy AI
 - Lighting Setup
 - Sound Manager
 - Scene Manager

You sold [Willow: The Little Witch](#) for \$10.00 92d

Portal Strike (Mobile Game)

3D Rogue-like, run & gun game that I developed with two other teammates and is published on [Itch.io](#)

- **Highlight of Work**
 - Ability Selection Cards
 - Random Card
 - Portal Skills [Dash, Decoy]
 - RPG Stats + Stats Upgrade

Forest Quest (VR GAME)

A 3D VR horror single-player game. Gameplay videos can be viewed on [YouTube](#).

- **Highlights of work:**
 - Implementation of triggered dialogs based on different locations
 - Activation of ghost events
 - Implementation of various behavioral patterns for triggered ghosts

Silly Battle (Game Jam 2024)

2D Action versus, local co-op game that I developed at GGJ2024 (Site Rangsit) under the theme "Make me laugh" with two other teammates and is published on [Itch.io](#)

- **Highlight of Work**
 - Slot Machine
 - Random Weapons
 - Local co-op
 - There are many types of weapons.
